

RULES & REGULATIONS FOR SUBOXONE MEDPASS

- Only 1 shirt on
- No pants tucked into socks
- No dentures
- Shirt untucked once in the gym
- Dose goes under the tongue
- No folding suboxone strip
- After receiving dose, hands get shown and then put down to sides
- No touching face
- Mouths will be checked
- Water before and after dose
- A pack of crackers is to be eaten after being dosed and strip dissolves

The Diversion Policy:

- Warning happens at induction/continuation
- 1st diversion attempt results in a dose cut in ½
- 2nd diversion attempt results in removal from the program
- You will not be restarted to go DOCCs should you be removed
- You will be reassessed 1-2 weeks prior to release to restart before being released back into the community.

I agree to abide by the rules and regulations listed above, as well as the diversion policy, when being dose with suboxone. I am aware that failure to follow the rules and regulations will result in consequences and possible removal from the program.
